Dear Mr LeDain:

Thank you so much for your letter of appreciation for my work. I'm glad that you received copy of the book, "Norman Rockwell, Illustrator" and that you are enjoying it.

You must be rather good yourself to have a job as artist with one of the larger tobacco firms and I do hope that you will continue to enjoy your work and that each check you receive will mean a greater thrill than the one previous.

With best wishes, I am -

Sincerely,

Norman Rockwell
